BAG CHECK DETAILS

The Sporting Life 10K will **NOT** be providing a clear plastic bag for Bag Check. Participants will use a personal bag for Bag Check. Please ensure your bag is no larger than: **45cm (height) x 32cm (width) x 17cm (depth)**

Your bag must be the same or smaller than the dimensions listed above or it will not be accepted. Luggage/larger sized bags will not be accepted as they will not fit in the bins and will not be driven down to the finish line for you. We will have additional security at Bag Check from the Toronto Police K-9 unit patrolling the Bag Check area as the buses are being loaded and bags being checked.

- Check your bag for a suggested donation of **\$2 per bag** (all proceeds go to Campfire Circle).
- Your bib will have a tear off at the bottom that has your bib number on it. Tear the bag tag off of your bib and affix it to your bag with a safety pin or zip tie.
- All bags will be transported to Corktown Common and available at the Bag Check tents.
- Check your bag based on your corral colour. You will want to ensure you have checked your bag **30 minutes before your corral wave time**.
